NOTICE IS HEREBY GIVEN that persons disposed to tender for the above service are to cause their tenders to be delivered at the office of the Clerk of the Council in Bermuda or on or before the Among the conditions which will be required will be Among the conditions which will be required will be the rollowing:—

The vessel must be a steamer of not less than 560 tons burden, with an average speed of not less than 660 tons burden, with an average speed of not less than eight knots per hour, with a draught of water not exceeding ditten feet when fully laden, and with accommodation for not fewer than forty first class cabin passensers. She will be required to make regular and periodical departures from New York and Hermuda respectively on stated days of the week, to be named in the contract.

She must stay in each of the ports just mentioned not less than seventy-two hours every trip. The service must be continuous; that is, in the event of any disability of the contracting parties to run the usual steamer at the regular dates, another steamer must be put upon the line within two weeks, which steamer, on approval by the Governor and Council, will receive the full contract subsidy per round trip.

It is to be noticed that the subsidy is the smallest part of the inducement, the San Francisco, in spite of many disadvantages, having made, during ten months of her last year of service (exclusive of the subsidy), upwards of \$15,000 sterling, and the business with freight and passage is a new and growing business. The subsidy allowed by law is not to exceed \$240 sterling per round voyage when the voyage is performed once every three weeks, or £160 he round voyage it performed every fortuight, and will be payable at the experience of every three months from the date of the list voyage. The Governor and Council of Bermuda reserve the right to enter into singagements for weekly toam communication between the 20th day of April and the
